REGULATED ONLINE CASINOS

Owning an online casino has always been a lucrative internet business anyone could dream of owning. However, it requires big investment in technology, massive recruitments, legalization and authorizations that are time consuming to be approved, and often very difficult to obtain.

TRENDING OPPORTUNITY

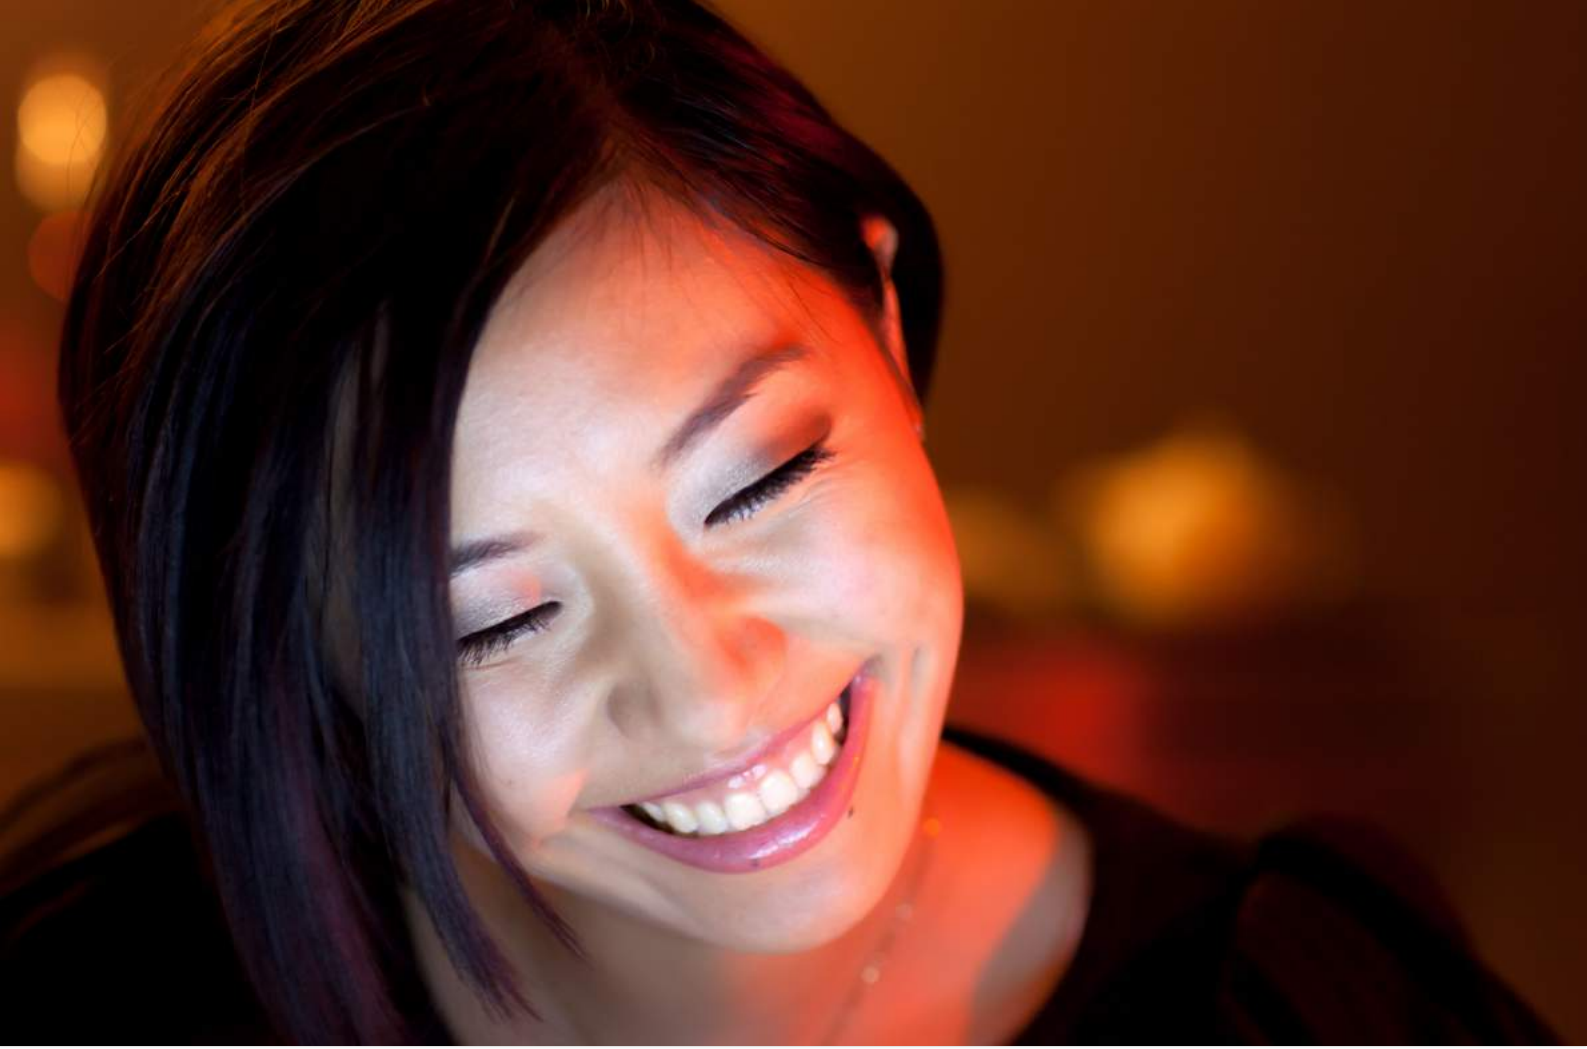

“White Label” online casinos allow the “NEW AGE” Entrepreneurs to bypass these difficulties and become their Own Boss in the Regulated iGaming Industry.

STARTING FROM ONLY
US \$15,800

WHITE LABEL iGAMING SOLUTIONS

“White Label” is a online casino software suite that is produced by a gaming technology company and supplied wholesale to your company, which then re-brand the product as your own.

PEACE OF MIND ASSURANCE

White Label Casinos are becoming increasingly common, as they can be set up within 3 months and are already LICENSED. White Label Casino has established Customer Support with Games from leading developers.

You DO NOT need to start from scratch to get your iGaming business up and running.

CAMBODIAN iGAMING LICENSE

ESTABLISHED in Cambodia, the WHITE LABEL iGAMING SOLUTIONS provider has full authorization by the local authorities to operate casino activities, offline or online.

The White Label Solutions enable you to operate legally using their Online Gaming License in Cambodia.

UNLIMITED SUPPORT

You will ALSO enjoy unrestricted access to their technological platform, back office management software, and business advisors, to help you succeed in your iGaming Business Venture.
